Insurance Information Request

Most insurance companies cover physical therapy services. We request that you know what your responsibility will be; including co-pay, co-insurance, as well as any deductible remaining. If you don't know the terms of your policy please call the toll free number on the back of your insurance card and a representative will be able to assist you. The following is a short set of questions to ask your insurance company.

Does my policy cover out-patient physical therapy services?_____

What is my deductible?_____ Have I met my deductible?_____

Do I have a co-pay due at each visit for PT services?_____ If so, how much?_____

****If asked, Focus on Function Physical Therapy is a free-standing clinic with location code "11".*

What is my percentage of co-insurance, if any?_____

Thank you in advance for taking the time to understand your insurance coverage and to know your personal financial responsibility. We appreciate putting your trust in us for your physical therapy needs!
